GIFT OF GOD

*A baby is a wonderful gift,
A blessing of divinity,
Glee, ardor, chuckles
And enthrall us all
Makes me a happy aunt.
Life is filled with surprise
Your days are yet to come
You will grow up
And will make me proud
Let's celebrate this life
Making memories with
moments of laughter
Learning lessons with
moments of bitterness
I'll be with you
In all ups and down s
Let me promise you,
I will be with you.
Always*
