

A Day at SIBA Campus

BY : D.M.N.S. Dissanayake

*Bluish sky never ends
Golden rays of sunshine
Silky clouds dancing around,
Hot streets outside the gate
Huge gate at the entrance
Calm atmosphere inside the campus
Attractive flowers all over
Picturesque mountains stand afar
Open school for all learners
Happy place for teenagers
Friendly persons that we meet
Organized buildings are everywhere
Outstanding lectures inside the classrooms
Loving lecturers always think
Smart Individuals study hard
Huge thoughts fly around
Divided semesters come in a line
Challenging exams nearby
Sleepy nights coming soon
Tired times will vanish
Good days are yet to come
Valuable degree that we get
Talented graduate that they produce
Just hold on till the end
For **SMASHING SUCCESS!***
